

# DON'T DRINK AND RIDE

TO ENSURE BOTH YOUR OWN SAFETY AND THAT OF OTHERS, IT IS VITAL THAT PEOPLE **DO NOT DRINK OR USE DRUGS** BEFORE GETTING ON AN E-SCOOTER.

01

Riding an e-scooter under the influence of alcohol or drugs is both **illegal and very dangerous**.

02

E-scooters are covered by the same drinking and driving rules **as other vehicles**.

03

If caught drunk, the **penalties may include**: six months imprisonment; an unlimited fine; driving ban.
